

## Nau mai, haere mai!

The Tuahiwi Education Committee welcomes educators to come along and take part in a day of learning.

We have run many successful workshops with educators in schools, early childhood centers, tertiary institutions, health providers and more. We would now like to continue sharing the same information with others. The information shared will be about:

- Ngāi Tahu Migration (Who are Ngāi Tahu and Ngāi Tūāhuriri)
- Mihimihi
- Culturally significant sites to Ngāi Tūāhuriri
- Tikanga and Kawa
- Pōwhiri Process
