

Kōkirihiā Wānanga Rangatahi Support for Kaiako

[Kōkirihiā](#) is a call to action to end streaming practices in Aotearoa by 2030. This framework is used to raise awareness, consider alternatives and put actions in place to support the achievement of all ākonga.

[This video](#) shares rangatahi voice from the Grow Waitaha Kōkirihiā Wānanga Rangatahi as they consider the impacts of streaming on themselves and their peers. Click on the image to link directly to the video.

As you watch the video, think about the rangatahi at your school and how streaming has affected them.

Hei huritao mā ia kaiako Reflections for individual teachers

What key messages or themes from the video are most relevant in your classroom?

- › What can you do to respond to the messages about streaming expressed by the rangatahi in this video?
- › How have streaming practices impacted rangatahi engagement, attendance, and achievement across cohorts?

What is your level of awareness about what streaming is and how it affects rangatahi?

What could you do to build awareness about the whakapapa of streaming and alternatives to streaming in your kura?

Hei huritao mā ngā kaimahi, ngā tari rānei Reflections for staff or departments

Select the questions that are relevant to your school

- › How do rangatahi have input into teaching practices at your school? What channels do they use to communicate?
- › How might you bring rangatahi and whānau together to understand school achievement data, gather their insights and co-design actions to take?
- › How do kaiako expectations (low or high) impact ākonga achievement and outcomes?
- › What would your rangatahi say life is like for them outside of school?
- › What are their aspirations?
- › Do they have high or low aspirations for themselves?
- › How does your school or your team adapt the curriculum to meet the needs and support the aspirations of rangatahi?
- › How would you feel if you heard rangatahi say they are not 'smart enough'?
- › How do rangatahi see themselves within your kura?
- › What does the future look like from the perspective of rangatahi?
